All Users of Johor Port Berhad,

Dear Sir/Madam,

**PROHIBITION USAGE OF LIGHTERS, MOBILE PHONE AND NO SMOKING OR VAPING  
(CIGAR/E- CIGARETTE) AT DANGEROUS CARGO JETTY AREA**

The above subject matter refers.

Kindly be advised that any Port Users who intends to work at JPB Dangerous Cargo Jetty (DCJ) area i.e., BT1/CT3A, BT2/3/4, Oil Jetty BT5/6/7/8 and BT12 are strictly to comply with safety regulations as follows:

1. Jetty users are not allowed to bring in any lighters, cigarette or electronic cigarette and prohibited to be used at all DCJ areas
2. Mobile phone and electronic camera are prohibited for all users. The exceptional is given to terminal loading master and only allowed to be used onboard vessel
3. Only device with intrinsically safe or explosion-proof protection are allowed to be used at DCJ for the purpose of inspection or audit report only

Please be reminded that Port Security and Safety Department personnel have a right to conduct ad hoc inspection at any time to check on the compliance to the above safety regulation. Anyone who fail to comply with the safety procedure will be banned from entering DCJ for one (1) month and the entry pass will be confiscated.

These regulations will take effect immediately. Therefore, please ensure and remind all staff, contractor or visitor to adhere with the safety procedure at DCJ.
