KUALA LUMPUR: Amidst the Covid-19 pandemic and Movement Control Order (MCO) enforced by the Government, MMC Corporation Berhad (MMC Group), a premier utilities and infrastructure group, is supporting the nation with its corporate social responsibility initiative.

On March 24, it donated RM1 million to the Covid-19 fund launched by Prime Minister Tan Sri Muhyiddin Yassin in a ceremony held at Perdana Putra, Putrajaya.

The Covid-19 fund was launched on March 11 as part of the Government’s effort to help Malaysians affected by Covid-19.

The cheque replica of the donation was presented to the Prime Minister by Datuk Seri Che Khalib Mohamad Noh, Group Managing Director of MMC.

MMC Group also contributed essential items to ease the burden of the frontliners in the hospitals who are battling the Covid-19 as the numbers of cases are currently increasing in this country.

“At this crucial moment, we will continue to support all efforts taken by the Government to contain this pandemic.

“We also appreciate the dedication and sacrifices of the nation’s frontliners who are working tirelessly to fight against Covid-19 and in helping to keep us safe during this challenging time,” Che Khalib said.

In the central region, a total of 6,000 bottles of mineral water and 900 packs of biscuits were distributed to support the frontliners manned by doctors, nurses as well as cleaners at Hospital Kuala Lumpur, Hospital Sungai Buloh and Hospital Selayang.

MMC’s port and logistics operating companies in Southern region namely Pelabuhan Tanjung Pelepas Sdn Bhd, Johor Port Berhad, Senai Airport Terminal Services Sdn Bhd and Senai Airport City Sdn Bhd also joined hands by contributing medical appliances and other supplies to the Covid-19 designated treatment hospitals in Johor.

Surgical face masks, hand sanitisers, gloves, mineral water and packs of biscuits were distributed to the medical frontliners of Hospital Permai in Johor Baru while Hospital Enche’ Besar Hajjah Khalsom in Kluang will be receiving medical appliances such as infusion pump and syringe pump which are essential in treating the patients of Covid-19. While in Malacca, Tanjung Bruas Port Sdn Bhd also took part in distributing bottles of mineral water and biscuits to the health workers at Hospital Melaka.

Up in the Northern region, Penang Port Sdn Bhd distributed ‘Penang Port Care Package’ containing basic necessities such as rice, sugar, canned food, milk, body wash and detergent to 100 health workers of Hospital Pulau Pinang to help them to provide daily necessities for their families at home despite of the long working hours.
