Ref No: JPB/OD (06)/112026
3rd November 2026
To: All Our Valued Customers and Port Users

Dear Sirs/Madam,

NOTICE: DECOMMISSIONING OF EXISTING CRANES (LL2 & BG1) AND INSTALLATION OF NEW CRANES (LL2 & LL6)

Dear Valued Customers and Port Users,

Johor Port Berhad would like to inform all valued customers and port users that the replacement of our existing Level Luffing Cranes (LL2 & BG1) will be carried out as part of our ongoing commitment to enhance terminal efficiency, operational reliability and service quality.

Activity	Start	Finish	Space Required	Meter Mark
Removal of Existing LL2	27-Oct-26	6-Nov-26	100 m	880 - 980
Removal of Existing BG1	27-Nov-26	23-Dec-26	120 m	1050 - 1150

Activity	Discharge Start Date	Discharge Complete Date	Space Required	Meter Mark
Arrival of New LL2	17-Nov-26	21-Nov-26	180 m	870 - 1050
Arrival of New LL6	21-Nov-26	26-Nov-26	180 m	1390 - 1570

During the crane replacement works, temporary congestion may be experienced due to the partial closure of the wharf to facilitate the project. Johor Port Berhad has put in place the necessary operational measures to minimise disruptions and ensure the continuity of port operations throughout the implementation period.

Following installation, testing and commissioning, the new Level Luffing Cranes (LL2 & LL6) are scheduled to commence operational service by **15th January 2027.**

We sincerely appreciate your understanding, patience and cooperation throughout this important infrastructure upgrade. Should you require any further information or operational assistance, please contact your respective Johor Port representative.

Thank you for your continued trust and support.

Yours Sincerely,

JOHOR PORT BERHAD

VIMAL KUMAR SELVABALAKRISHNAN
Head of Operations Division
