

Ref No: JPB/OD(03)/072026

23rd July 2026

To: All Our Valued Customers and Port Users

Dear Sirs/Madam,

Notice: Decommissioning of Level Luffing Cranes (LL1 & LL3) and Installation of New Cranes

Dear Valued Customers and Port Users,

Johor Port Berhad would like to inform all valued customers and port users that the replacement of our existing Level Luffing Cranes (LL1 & LL3) will be carried out as part of our ongoing commitment to enhancing terminal efficiency, operational reliability and service quality.

Activity	Start	Finish	Duration	Space Required	Meter Mark
Removal of Existing LL1 & LL3	30-Jul-26	20-Aug-26	21 Days	230 m	720-850, 1260-1360
Arrival of New LL1 & LL3	12-Aug-26	26-Aug-26	14 Days	170 m	12-19 Aug (720-890), 20-26 Aug (1260-1430)

During the crane replacement works, temporary congestion may be experienced due to the partial closure of the wharf to facilitate the project. Johor Port Berhad has put in place the necessary operational measures to minimise disruptions and ensure the continuity of port operations throughout the implementation period.

Following installation, testing and commissioning, the new Level Luffing Cranes are scheduled to commence operational service on 26 September 2026.

We sincerely appreciate your understanding, patience and cooperation throughout this important infrastructure upgrade. Should you require any further information or operational assistance, please contact your respective Johor Port representative.

Thank you for your continued trust and support.

Yours Sincerely,

JOHOR PORT BERHAD

VIMAL KUMAR SELVABALAKRISHNAN
Head of Operations Division
