

Ref: (6) JPB/281-6/1 Vol 13

25th February 2026

To All Valued Staffs, Customers and Port Users,

Dear Sir/Madam,

IMPLEMENTATION OF DESIGNATED SAFETY ROUTES IN JOHOR PORT BERHAD

Johor Port Berhad (JPB) is committed to ensuring that all port users are able to perform their business and work activities safely within the port premises. In line with this commitment, JPB has implemented various safety control measures to enhance safety and minimise risks within the port area.

In this regard, JPB has designated specific safety routes for all port users as follows:

Route	Details
Public access route	Applicable to all port users
Operational access route	Restricted to operational staff / authorized personnel only

Please refer to the attached route layout plan for further details.

In addition, all port users are required to comply with the following safety rules and regulations as follows:

1.	No vehicles, equipment, containers or other materials shall be parked, stacked, grounded or placed along the public access route without prior approval from the Port Security & Safety Department (PSSD).
2.	All port users must take reasonable care for their own safety and health, as well as that of others. JPB shall not be held liable for any risks (including injury or death), damages, or losses arising from any acts or omissions occurring during performing their works within the port premises.
3.	All port user are required to strictly comply with the speed limits imposed within JPB as follows : (i.) JCT block area - 15km/h, (ii.) Wharf and yard areas - 25km/h, (iii.) Main road/ non-operational area - 45km/h

We seek full cooperation from all port users to adhere to the safety rules and regulations at JPB at all times.

Your cooperation and compliance are highly appreciated in ensuring a safe, orderly and accident-free working environment for everyone within Johor Port.

'Work Safe, Get Home Safe'

With kind regards,
JOHOR PORT BERHAD

JAMALUDIN RAJA MOHAMAD
Head,
Port Security & Safety Department
