All Johor Port Berhad Port Users

Dear Sir/Madam,

ADDITIONAL MANDATORY REQUIREMENTS FOR PORT USERS ENTERING JOHOR PORT BERHAD

The above subject matter is kindly referred.

Given the prevalent number of COVID-19 positive cases, Johor Port Berhad will be continuously enhancing its Precautionary Measures in order to provide a safe and productive working area for all Port Users including staffs, contractors and visitors.

All new Port Users who are entering Johor Port for the very first time and who have yet to complete their two (2) dose vaccinations will be required to produce their COVID-19 test result before entering the Port premises. As part of this requirement, only Polymerise Chain Reaction (PCR) Test or Rapid Antigen (RTK) Test results will be accepted and with the validity of the results to be within three (3) days before entering the Port. This requirement is however not applicable for existing Port Users who have already completed their two (2) dose vaccinations with the risk status of 'Low Risk No Symptom' or 'Casual Contact No Symptom' only.

There will also be a mandatory requirement for a COVID-19 Saliva Test for existing Port Users who intends to renew their Entry Permit, and such results must be endorsed and certified by an accredited Medical Officer. The costs of performing the COVID-19 Saliva Test will be under the Port Users own responsibility.

All Port Users are advised to always adhere to the COVID-19 SOPs such as wearing of Face Mask at all times, practicing social distancing at all areas as well as to practice good personal hygiene such as frequent hand washing and disposal of used Face Masks and Gloves at dedicated disposal bins. Port Users are also required to record their movements by scanning the MySejahtera QR Code.

The above precautionary measures will be enforced with immediate effect from **01 November 2021**, and all Port Users are required to comply with these measures without fail. Should you require further clarification, please liaise with Puan Nor Zaini Binti Mohamad at norzaini@johorport.com.my or 07-253 5888 ext. 720.
