

Ref: (11) JPB/281-6/1 Vol 9

7th August 2020

All JPB Staffs / Contractors / Tenants / Port Users

Dear Sir/Madam,

MANDATORY USAGE OF FACE MASK WITHIN JOHOR PORT BERHAD (JPB) PREMISES

The above subject matter is kindly referred.

Subsequent to the 23rd July 2020 announcement made by the Senior Minister of Defence, YB Dato' Sri Ismail Sabri bin Yaakob on the mandatory usage of face mask in crowded public places and public transport with effect from 1st August 2020 due to the increasing number of COVID-19 cases, the Management of Johor Port Berhad (JPB) will follow suit with the implementation of **MANDATORY** usage of face mask for all staffs, contractors, visitors, tenants and other port users entering JPB premises except when at their respective individual working stations.

It is imperative for the face mask to be worn properly to reduce the risk of infection. Please ensure that the mask is completely secured and covers your nose and mouth with the bottom edge of the mask being positioned under your chin. Avoid hanging it around the back of your head, forehead or covering only part of the nose or mouth as it might expose the user to the risk of face mask contamination and infection.

Please note that in addition to the mandatory usage of face mask, Social Distancing (SD) protocols must also be adhered to at all times.

Additionally, all staffs, contractors, visitors, tenants and other port users will be required to record their movements within JPB premises by scanning the MySejahtera QR Code provided at the respective locations as well as undergo a Body Temperature Screening (BTS) on a daily basis with no exceptions.

Port users are encouraged to practice personal hygiene with regular hand washing or by utilizing the provided hand sanitizer where hand washing facilities are unavailable.

The enforcement of the MANDATORY usage of face mask will take effect from the **8th August 2020** and those who are not in compliance will not be allowed to enter the premises.

Your understanding, cooperation and compliance are duly appreciated in order to ensure that Johor Port's area remains a COVID-19 free environment and a safe working place for everyone.

'Work Safe, Get Home Safe'

The Management of Johor Port Berhad
